Timely and Meaningful Consultation Agenda

**Thursday, May 11, 2017
3:30 p.m.**

**Paxton-Buckley-Loda Unit Office
1 Panther Way
Paxton, Illinois 60957**

1. Child Find
 - Free fall and spring pre-school screenings in both districts
 - Referrals for St. John's Lutheran School or Christ Lutheran High School students who might have a disability
2. Proportionate Share
 - Explanation of what is "Proportionate Share"
 - PBL - \$4109 Flow-Through and \$157 Pre-School (2016-2017)
3. Meaningful Participation – Procedure for full-time private school students and home-schooled students with disabilities to access special education and related services offered by PBL or GCMS during the 2017-2018 school year.
4. Allocation of Services – The type of services to be provided via Proportionate Share will be discussed along with where these services will be provided.
 - Speech-Language services – This is the service most commonly needed/requested by home-schooled parents, parents of children enrolled in private schools, and private school representatives.
 - These will be provided in one of the district buildings, the specific school to be worked out between the speech-language pathologist and the parent(s).
5. Proposals of the Private School Representatives – The special education cooperative will describe the process by which the district (PBL) will provide a written response to proposals by the private school representatives when the district disagrees with those proposals.
